

# Gilles CONDAMINE

PARTNER

AXCELPartnersFrance

For over 20 years, Gilles managed profit centers in the engineering and IT consulting sector at Altran, where he was responsible for the Banking and Insurance sector.

The 3 characteristics that guide his professional career are :

Management: Recruitment, team management, customer relations,

Profit center management: building business plans, managing KPIs, aligning performance with general management objectives,

Innovation: Creation of an Altran innovation club, management of relations with the finance and innovation division.

After several years with an interim management firm, he joined AXCEL Partners, in charge of the ESN and Banking & Insurance sectors.

Gilles has a Master's degree in Innovation from ECC Toulouse.
