

Jiufei WANG

PARTNER

AXCELPartnersChina

Jiufei has over 34 years of experience in managing international entities in China.

With a solid background in mechanical engineering and an MBA, Jiufei has built his career within large companies such as AMECO Beijing, Alstom, and GE, holding roles ranging from project management to HR direction and sales management.

He also brings a deep understanding of the Chinese ecosystem and a proven ability to adapt to complex situations through his multifunctional and multicultural experience.

Jiufei Wang takes charge of our office in Beijing, leveraging his expertise to assist our French and international clients in China in overcoming challenges and quickly finding local transition management solutions.

Jiufei owns a Master's Degree in Mechanical Engineering from the Tsinghua University and an Executive MBA from the Peking University.
